## MASTER CARVER COLLECTIONS:

SMS Meerschaums designates a few highly skilled artisans as Master Carvers. Our Master Carvers must meet our most exacting standards, including the following: exceptional reliability, impeccable quality, superior craftsmanship, distinctive and unique carving style, and overall excellence in execution of thematic content. They make a wonderful addition to your collection. Each pipe is usually signed by the artist and protected by a custom fitted case. Visit the Master Carver Collection section of our website ([www.smspipes.com](http://www.smspipes.com)) to see the pipes currently available for each Master Carver.

## SMS CARVINGS:

Select a style and all the pipes assigned to that particular style are shown. This overview combines the Master Carver Collections and the more affordable SMS Series, carved by other skilled artists. Each pipe is protected by a custom fitted case.
